

New Covenant School is seeking a Head of School to step into our established and growing program located in Anderson, South Carolina. Started in 1999 with two grades and 10 students, today we have grades K-5 through 12th, a homeschool co-op program, and a preschool, serving over 300 students on our campus.

New Covenant School is a ministry of New Covenant Church under the oversight of an elder approved board. At New Covenant School, by the means of God's grace, we cultivate churchmen and churchwomen with Christ-like virtue, wisdom, balance, knowledge, and eloquence. Our classical, Christian, and covenantal culture sets us apart from most other Christian schools. We desire a Head of School who is uniquely called, and qualified by God, to lead us in the work He has placed before us.
