

## Job Description for Church Planters in the Pacific

Ministry to the Military & Internationals (MM&I), a ministry of Southeast Alabama Presbytery, PCA has several strategic locations in the Pacific where a church plant is needed. MM&I would like to continue our effort of planting Reformed and Presbyterian Churches that will serve U.S. Military forces and their family members. We also want to plant churches in other locations of the Pacific for Internationals that speak English. Bi-lingual ministers are certainly welcomed. Fluency in English is absolutely essential.

MM&I is seeking ministers who are fully committed to hold tenaciously to the inerrant and infallible Word of God, the biblical administration of the Sacraments, and who is a minister whose prayers are deeply rooted in the Word of God. We are also a Confessional Church holding to the Westminster Standards as a testimony of our faith. We want the life of Christ to be a model for our ministry. We want to speak the truth in love just as Christ showed us. In John 18 Jesus said “He came to testify to the truth.” In John 17 Jesus said “sanctify them in the truth, thy Word is truth.” In John 14 Jesus said, “I am the way, the Truth, and the life no one comes to the Father except through Me.” Reformed Seminary has a motto that reads, “A Mind for truth, A Heart for God.” This is the description of men we are looking for and praying for to carry the saving message of the Gospel to the ends of the earth.

Our service members are some of the best, brightest, and most courageous America has to offer. Most of our service personnel and their families finding living in a foreign country is both challenging and exhilarating. However, they usually adjust quickly and love their experience. Many internationals living in areas where we have planted churches are coming in significant numbers to be a part of the body of Christ. We want more of them to join us in this effort to grow the Church and expand His Kingdom. Many lives are being changed and more need to be reached with the Gospel. God has entrusted His Church with a life saving message and we are commissioned to take it to the world and share it with the nations. Approximately 25 different nationalities are worshiping in our MM&I churches in Europe and Asia.

If you sense that God maybe calling you to take the Gospel to the nations
