

## TOP NEED

# Join an Expanding Team in North Africa

Global Muslim Ministry Team, North Africa-Middle East Muslim Team, Longer, Africa

## OPPORTUNITY DETAILS

MTW is seeking to build a team in a predominately Muslim North African country with a growing house church movement. An experienced church planter has been working there for years, but would like to support him with additional workers. We are looking for people with a heart for evangelism, early discipleship, and service to the local church.

Of highest priority is someone to serve as the team leader who will lead, care for, and oversee other team members, as well as set strategy for the team, in consultation with the church planter. We are also looking for English/ESL teachers, business professionals, and a hospitality coordinator to host local house church meetings and trainings.

We want to build a team made up of people with a range of giftedness, who have a passion to learn the local Arabic dialect and use it as they minister in this Arab culture. If God is calling you to this type of work, then let's talk.
