# New Church Planting Team in El Salvador: All Gifts Needed

El Salvador, San Salvador, 1–11 Months, Longer, Americas - Central

## OPPORTUNITY DETAILS

El Salvador is the smallest country in Central America, but it has a dense population. And most of the people are very, very poor. People have lost hope for the future and many act in desperate ways. We are raising up a team who can minister in the midst of this extreme poverty, respond with Christ-like compassion, and introduce people to Jesus who can transform their hearts and minds.

We are building a team of relationally-gifted and collaborative people who have a wide range of skills and vocations. We need several ordained pastors. But we also need doctors, engineers, business people, teachers, networkers, students ... and so much more!

If God is calling you to this type of work, then let's talk.
