New Teams Forming in South Asia

Longer, Asia - South

OPPORTUNITY DETAILS

Church planting efforts in a South Asian mega-city of over 8 million people, where believers are few and far between, is thriving--praise the Lord! Our field leadership believes that the Lord is leading them to recreate this successful model of ministry in several other large cities across this country.

Would you like to join us? Each new team needs a teaching elder, plus a university

ministry and business-as-missions component, so we are looking for several missionaries (singles, couples, and families) who can fill these niches.

If God is calling you to this type of work, then let's talk.
