OPPORTUNITY DETAILS

All around the world where MTW serves there is a critical need for experienced teaching elders, including those who are available to serve for just a season. Interested in a cross-cultural sabbatical? Are you able to provide training on one of our fields for a few months? Would you like to explore a possible call to a second career in missions? The possibilities are as unique as you are!

We would love to hear about your gifting, experience, and interests and to discuss some places you could serve with us and bless our fields for 1-11 months.
