

**Redeemer Presbyterian Church
Assistant Pastor Profile**

Redeemer seeks an Assistant Pastor who loves God and people. He must be a committed Christian with a life marked by worship, humility, prayer, faith, and repentance. He should have a distinct sense of calling to the ministry, particularly to preach and teach the gospel of Jesus Christ and to disciple people. He should long to see the Lord bring people to faith, and to sanctify the saints, through the ordinary means of grace. He should be very relational, and comfortable working with the senior pastor, elders, deacons, and other leaders in an environment where he can gain valuable experience and grow as a shepherd of God's flock. Some prior ministry experience is preferred, and he needs to be ordained or ordainable in the PCA.
