Director of Student Outreach Staff Position

Full-Time Job Opening in Dresher, PA

Harvest USA is a community of people who are passionate about the gospel of Jesus Christ and believe that it is good news for those struggling with sexual sin. We are dedicated to helping men, women, and families impacted by sexual sin and to providing resources that equip churches to be places of hope and healing for sexual strugglers.

We are seeking a full-time student outreach staff member to lead our student outreach ministry team. The student outreach team is responsible for teaching on biblical sexuality at various venues and for producing digital and print resources to help equip parents, teachers, youth pastors, and other youth leaders in understanding a biblical view of sexuality and how to bring the hope and healing of the gospel to those struggling with sexual sin. This is a full-time, support-raising position requiring 40 hours a week. It includes medical, paid leave, and retirement benefits. Funds are available to augment personal support.

If you have a passion for the gospel and a desire to see young people nurtured in a biblical view of sex, we invite you to apply. Qualified candidates will possess a good knowledge of the Bible and the ability to help others apply it to real-life situations; strong communications skills, both in writing and teaching; and a commitment to the purpose, mission, and beliefs of Harvest USA.
