Harvest USA Internship – Women's Ministry

Harvest USA is a community of people who are passionate about the gospel of Jesus Christ and believe that it is good news for those struggling with sexual sin. We are dedicated to helping men, women, and families impacted by sexual sin and to providing resources that equip churches to be places of hope and healing for sexual strugglers.

Brief Overview

The Harvest USA internship is a paid, in-person, 9-month long program (September – May) designed to further equip a person for ministry to those who have been impacted by sexual sin. The internship will require approximately 3-6 hours each week. Each intern will have the opportunity to engage in targeted discipleship with ministry recipients as well as help facilitate a biblical support group. In addition, each intern will participate in other training opportunities noted below.

Harvest USA Intern Responsibilities

Below is an overview of the responsibilities and approximate time commitments for the Harvest USA internship. Please prayerfully consider whether these responsibilities and time commitments are feasible and realistic for you.

- Targeted Discipleship – You should plan on 1-2 hours of targeted discipleship each week. This includes preparation, note taking, and processing each meeting with your supervisor.
- Facilitate Biblical Support Groups – You should plan on spending 4-5 hours each week facilitating a biblical support group. This includes preparation, prayer with other group leaders, group facilitation, and a time to process the group meeting with your supervisor.
- Education – You should plan on spending 2-3 hours per week reading assigned books, articles and blogs as well as watching lectures and seminars on relevant topics.
- Supervision Meetings – You should plan on spending 1 hour each month meeting with your supervisor to discuss a specific topic.
- Group Training – You should plan on spending 2-3 hours a month in group training. Interns from all programs will gather together for a meal, fellowship, and discussion.
- Shepherding Care – You should plan on spending 1 hour each month meeting with a program director designed specifically for personal reflection, prayer, discipleship, and encouragement.
- Ministry Exposure – Each intern will be exposed to all ministry programs at Harvest USA (i.e., Men's Ministry, Women's Ministry, and Parent's and Family Ministry) with the goal of gaining a basic understanding of the ministry involved in each program.
- Teaching – Each intern will have the opportunity to develop their teaching skills by preparing for and delivering an assigned presentation to Harvest USA staff members. Constructive feedback will be offered.
- Writing – Each intern will have the opportunity to develop their writing skills by writing a blog post or article on a relevant topic. Constructive feedback will be provided and the writing may be published on the Harvest USA website.
