Faith PCA Myrtle Beach is seeking a pastor to come on staff to help plant a church in a growing master-planned residential community, Carolina Forest (CF), South Carolina.

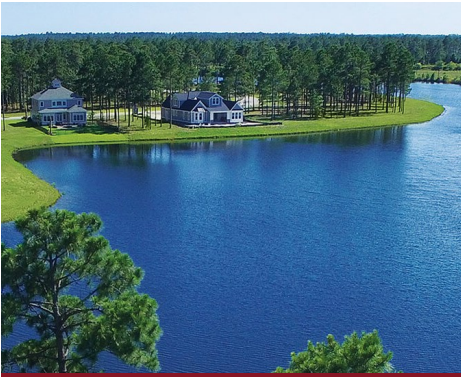

With only two evangelical protestant churches in this community of over 35,000 people that is expected to grow over 30% in the next ten years, Carolina Forest is in desperate need of a Christ-centered reformed church and it is the Pee Dee Presbytery's top church planting priority .

Faith PCA's vision includes building a multi-purpose facility on the 5 acres of undeveloped land owned by the church. It is located in the heart of the CF community right on the Boulevard

near a middle school and a crossroad that will eventually have an exit onto state route 31. By God's grace the facility will be built to serve the community and ultimately become Carolina Forest Presbyterian Church.
