

**Application for Church Planting Ministry**  
**near U.S. Military Bases Overseas and other Select Locations**  
**Ministry to the Military & Internationals**  
**Southeast Alabama Presbytery, PCA**

**Description of Organization:**

Ministry to the Military & Internationals (MM&I) is a church planting ministry of Southeast Alabama Presbytery, (PCA). Our stated goal is to plant Reformed and Presbyterian Churches near U.S. Military Bases overseas and in major locations around the world where there is a significant number of English speaking people. This would include expatriates as well as those in the indigenous population that speak and write English as a second language. It is estimated that 1.8 billion people fall into that category.

**Job Description:**

MM&I has a passion to carry the Good News of Christ to those in uniform who are serving our country overseas along with their family members, Department of Defense Civilians, and contractors in support of the mission. We have discovered that God has opened doors for ministry to internationals in our current locations. Those locations include 3 churches in Germany, 1 in Italy, 1 in Norway, 1 on Guam, 1 on Okinawa, and soon we will place a church planter in South Korea. Our desire is to reach as many people as possible with the Gospel of Christ. And with God's help, disciple them to maturity in the Christian Faith. We take the "Great Commission" very seriously." Our prayer is that God would raise up men who are filled with the Holy Spirit, who will preach the Oracles of God, who will be faithful to the Scriptures in observing the Lord's Supper, and will be men with a vibrant prayer life.

**Position Qualifications:**

We are looking for ordained men in the PCA. Others who are able to embrace and hold to the PCA Standards are also welcome to apply. Seminarians attending Presbyterian and Reformed Seminaries are encouraged to apply. I Timothy 4:6-5:2 and 1 Peter 4:7-11 describe the qualities that God has outlined for us to be a good and godly pastor. You should know that living in a different country can be quite challenging; however, it can also be quite exciting. Therefore, if you are one who is strong in the faith and have a passion to preach and make disciples, please contact us. Dr. Martyn Lloyd said

“preaching is truth on fire.”
