**Description of Organization:**

**Ministry to the Military & Internationals (MM&I) is a church planting ministry of Southeast Alabama Presbytery (PCA). Our stated goal is to plant Presbyterian and Reformed Churches near U.S. military bases overseas and in major cities around the world where there is a significant number of people conversant in English. This would include expatriates and some of the 1.8 billion people who speak and write English as their second language.**

**Job Description:**

**Plant a PCA Church for the Ansbach-Illesheim U.S Military communities. These two bases are approximately 15 miles apart. Ansbach Military Community provides valuable support to the overall U.S. Army Europe mission. They have several installations in their area of operations. There are approximately 12,000 Americans in the area. That number includes soldiers and their family members, Department of Defense Civilians, and contractors.**

**The pastor must be committed to the faithful exposition of the Word of God, the biblical administration of the Sacraments, and be a man of prayer. He must be adaptable to laboring in a foreign environment. The adjustment to living in a foreign country will be both challenging and wonderful. Those who serve our country in uniform are some of the best and brightest. They are far away from family and country.
