

New Life Fellowship of Holland, MI is a small, intimate, intergenerational church whose members fit together like family. With a rich history of solid biblical teaching and fellowship, we are now prayerfully seeking a Pastor to guide us in revitalizing our ministry and reaching those who find themselves outside of a vibrant, Christ-centered church community.

We are looking for an ardent disciple of Jesus who is committed to boldly proclaiming the Gospel, especially to the unchurched and dechurched. The ideal candidate will have a shepherd's heart, bringing care-full pastoral presence to all ages, while also being a missionary to the community—eager to do the work of an evangelist and build relationships beyond the church walls.

We value bold, biblical, expository preaching, faithful leadership, and genuine hospitality. Our next pastor should be a gatherer, gifted in mentoring and discipleship, able to cast a vision, execute a plan and a timeline, and lead with both clarity and compassion.

New Life is committed to fostering a welcoming, supportive community where members can grow in their faith and live out Christ's love. If God may be calling you to join us on this journey of renewal and outreach, we invite you to reach out and learn more.
