

Full-time flex, remote (40 hours/week)

Join the Rice Bowls team and play a vital role in providing nutritious meals to orphaned children around the world. This position focuses on fueling future growth so we can reach even more kids in need.

Your strengths will directly support our mission as you help build a strong base of monthly donors, secure one-time gifts, develop corporate give-back partnerships, grow participation on our advocacy trips, and bring creative fundraising events to life.

You will work closely with and report directly to our Executive Director. This is a remote position with flexible scheduling and includes at least one international trip each year. Clear 3-month, 6-month, and annual goals will guide your work and keep us moving forward together with one purpose at the center of it all: feeding more children.

We are looking for someone with a broad range of fundraising experience, a proven history of generating significant donor support, and the ability to build relationships across multiple donor channels. If you are passionate about making a lasting impact and doing work that truly matters, this just might be your seat at the table.
