

Ministry to the Military and Internationals www.MMiChurches.com is seeking a pastor for Covenant Presbyterian Church (CPC) <http://www.okinawacovenant.org/> of Okinawa, Japan. CPC has existed for over 20 years and ministers mostly to US Military members and their families, DoD civilians, and contractors, with some locals and internationals attending as well. CPC has over 50 in regular attendance, meets in a facility just minutes from 4 major US military bases and within 30 minutes of at least 2 other US bases.

The ideal candidate is a retired military member or active military Reserve member with at least 5 years of pastoral experience. Most importantly, we are looking for a pastor who has a heart for the military, will faithfully preach God's Word, and will love those in his charge. Hospitality is an absolute-must as all military members are separated from their extended-family in the US. The church becomes the family more than any Stateside church!

Events in the world have placed Okinawa on the front-lines of many geo-political events. Military activities are high-paced and families are often separated due to deployments.

Base facilities are open to military ID card holders. Ability to speak the Japanese language is not required, but helpful in day-to-day shopping and communicating with the local population. Some fund-raising is required. However, the church has regular giving by its congregants.

Okinawa has warm and humid summers, but mild winters and almost no snow or ice. It is the same approximate latitude as south Florida. It is a popular tourist destination for many in Asia.

We need a qualified pastor ASAP!
