

New Team Forming in the Middle East: All Gifts Needed

Middle East, Global Muslim Ministry Team, North Africa-Middle East Muslim Team, Longer

MTW is seeking to build a team in a multicultural area of a Middle Eastern country. We are looking for people with a heart for unreached peoples (Muslim, Yazidi, and others) and who are called to reach out with the gospel by planting churches, and through business and mercy ministries.

Of highest priority is an ordained, experienced, PCA elder to serve as the team leader who will help recruit and lead this team. The team leader will also build relationships with local leaders and local believers in order to partner well in these focus areas of church planting and business and mercy ministries.

We are also looking for team members made up of people with a range of giftedness. People with vocational skills in education, medicine, business, teaching, agriculture, community development, and more can all be used. We need Bible translators as well as Bible teachers to help disciple believers and teach the Scriptures and theology to developing leaders. If God is calling you to this type of work, then let's talk.
