

Worship Director

Wildwood Church

Job Type: Full-Time | Tallahassee, FL | Denomination: Presbyterian Church in America (PCA)
Worship Style: Blended (Contemporary Worship Music and Contemporary Hymns) | Congregation Size: ~400-600

About Us

Wildwood Church is a PCA congregation where we aim to make mature and equipped followers of Jesus Christ who live with gospel purpose. We gather each week to worship Christ through a blend of contemporary hymns and worship music, and we're looking for a male Worship Director to lead worship services and disciple our musicians.

Our congregation is located in Tallahassee, Florida. Tallahassee is Florida's capital city, but it still moves at a small-town, family-first pace. Leon County ranks among the more affordable places to live in Florida, with home prices and rent running well under those of the state's coastal metros, while canopy-lined roads, natural springs, lakes, and hundreds of miles of trails sit just outside the city limits. College sports, a vibrant arts community, and numerous opportunities to enjoy the outdoors are a way of life here, and it's a short drive to some of the world's most beautiful beaches. Add solid public and Christian schools, mild winters, and a tight-knit community, and it's a place families can put down roots for the long haul.

Basics of What You'll Do

- Plan and lead blended Sunday worship with our senior pastor and production director
- Recruit, rehearse, and direct our vocal team and band
- Lead music for special services: Christmas Eve, Holy Week, Easter, Kids' Camp, weddings, funerals
- Recruit, train, and shepherd volunteer musicians and worship team members
- Partner with our pastor and Session on worship planning

What You'll Bring

Required

- A vibrant and maturing faith in Jesus Christ
- Agreement with the Westminster Confession Standards and the church's mission and vision
- Proficiency on piano/keyboard and/or guitar, with strong vocal leadership
- Proven experience leading blended worship and directing volunteer musicians
- Experienced with worship technology (Planning Center, ProPresenter, basics of sound/lighting)

Preferred

- Bachelor's degree in music or worship studies, or equivalent experience
- Basic music skills and ability to work with musicians of varying proficiency levels
- Formal biblical or seminary training
- Experience on a multi-staff church team

Compensation & Benefits

- Salary will be based upon experience and include a benefits package (discussed during interview process)
- Reference and background check required prior to hire

To Apply

Send your resume, cover letter, and a worship-leading sample (video or audio link) to dpinson@wildwoodtlh.com. We review applications on a rolling basis.
