

# Campus Ministry in Guadalajara

Guadalajara, Mexico, Longer, Americas - North

## OPPORTUNITY DETAILS

Greater Guadalajara is a very old and traditionally Roman Catholic city, with a population of about 6 million. There are five public universities and 35 private universities with a total of about 360,000 students enrolled. And in the coming years, these students will go on to become captains of industry, politicians, and business leaders.

College is a strategic time when many students are questioning their beliefs and

are open to the grace and gospel truths found in the Reformed faith. We long to reach them!

We are looking for self-starters, both ordained and non-ordained, who are passionate about sharing the gospel and willing to commit at least two years to establish relationships with students and develop a student ministry. Language proficiency and a background in campus ministry is a plus.
