

# Community Outreach and Church Planting

Belgium, Brussels, Longer, Europe - Western

## OPPORTUNITY DETAILS

Brussels is the capital city of the small, yet fascinating, country of Belgium. Several international institutions such as the European Union and NATO are headquartered here, and now people from all over the globe call Brussels their home. Opportunities abound for ministry in both English and French, serving the local and international communities.

Our team is based in an urban and multicultural context, and we are seeking new missionaries who will help support the growth and ministry of the church through prayer, service, relational evangelism, and discipleship. We also have opportunities to serve in refugee outreach, student ministry, leadership development, and administration.

Do you love the church? Are you eager to use your unique gifts as a way to spread the gospel? Are you willing to learn a new language and engage different cultures? We would love to talk to you!
