*ABOUT US*

All Souls was planted in 2008 by Christian Cryder and Ryan Sutherland in Missoula, Montana. Sensing God leading them elsewhere after the church was particularized, Christian and Ryan moved on. All Souls then called Austin Britton as their new pastor in 2020.

All Souls is affiliated with the Presbyterian Church in America in the Rocky Mountain Presbytery.

We meet in downtown Missoula in the heart of the city. Missoula is the second largest city in Montana and is one of the state's fastest growing regions. Missoula is a quintessential University town with Montana's liberal arts and sciences branches having a cultural influence in the city. It is a place for those who love the outdoors.

All Souls seeks to have worship that is God-centered and full of the riches of ancient and modern liturgy. We celebrate the Lord's Table every week. We sing songs new and old. We read and preach the Bible and seek to have lots of congregational participation in the service. We strive to be a healthy place for people to come and be met by the risen and ascended Lord in worship. We want to be a safe place for people to wrestle with doubts, fears, grief, joy, love, and life.

All Souls strives to welcome all in the name of Jesus as he has welcomed us by his grace.
