

**Forest Hill Presbyterian Church** is looking for a year-long pastoral intern to start serving this summer. Forest Hill was launched in July 2015 and particularized in October 2016. We're a multi-generational church averaging just over 100 in worship on Sunday mornings. We have a solo pastor, Jason Van Bommel, who is eager to mentor and serve alongside an intern. Available areas of ministry experience are rich and varied in our young and growing congregation – preaching, teaching, and visitation with members ranging from infants and toddlers, children, youth, and young adults to more seasoned saints. We are blessed with a loving and supportive congregation. The internship is paid, and housing can be provided. For more information, please contact the church by email, [foresthillpca@gmail.com](mailto:foresthillpca@gmail.com).
