

## **Director of Family Ministries**

### **Christ Presbyterian Church Newnan**

#### **Job Description:**

- Salary: \$30k-\$36k
- This is a great opportunity for a current or incoming RTS Atlanta student who is looking for a way to support himself and fulfill his intern requirements during his time in seminary and also gain experience and serve the Church now through building the family/youth program at CPC. If this is an RTS student, we could build in paying for at least part of seminary as we figure out salary.
- This position could grow to an ordained assistant pastor position as the church and responsibilities grow.
- Philosophy: This position is not a person the adults are handing off their kids to for discipleship, but someone who helps lead the adults in the church to disciple our covenant children together. We seek to disciple them through not just teaching them the Bible, but living life in front of and with them through worship, prayer, service, and fellowship.
- What would they do?
  - Work with the senior pastor to build the Family ministry program and cast vision for children and youth discipleship
  - Plan and help lead regular youth group meetings for all grade-school aged kids
  - Coordinate and lead covenant activity events involving both adults and kids (fellowship, service, potential missions trips) throughout the year
  - Teach Sunday school
  - Assist with worship, including opportunities to preach
