

GracePointe

A COVENANT FAMILY OF HOPE

GracePointe Church is a PCA church located in Cumming, GA. We are an established church of eleven years and average between 80 and 100 in worship each Sunday. GracePointe is a *Covenant Family of Hope*: rooted in God's covenants and scriptures, growing together as not just a community but a family, and trusting in the hope of the gospel.

Currently, we are seeking a part-time Worship Director to join our staff. This leader must be passionate about leading God's people in worship and have the skills to oversee and coordinate a gospel-centered worship service. We are a blended worship congregation, with around four songs per service split between contemporary and traditional hymns.

---
