

CHURCH PLANTING RESIDENT

-

King of Kings was planted in 2006 by another church in the Phoenix area. Our founding pastor moved to Phoenix from Texas and served a church that after two years sent him to plant. God has allowed us to grow and mature, and by God's grace, we are now at the place of being able and desirous to reproduce in the same way we were planted as a church years ago.

This full-time assistant pastor position is focused primarily on the establishment of a daughter congregation from King of Kings, but will include several pastoral responsibilities as well.
