[Village Church of East Atlanta](#) began meeting in September of 2010 in the Brownwood Park Rec Center. We started with about thirty-five people and a dream of planting a church that would become deeply interwoven into the life of the neighborhood. Within a few years, we outgrew the Rec Center and in October 2013 we moved into a storefront building in the heart of East Atlanta Village, where we continue to gather today. The Atlanta Convention and Visitors Bureau describes EAV as “a walkable area of town with unique, edgy character and a thriving independent business sector.” We love this neighborhood and many of our members live within biking and walking distance of the Village.

Our mission is to embody the love of Jesus in East Atlanta. We desire to be a people compelled by the love of Jesus to live out God’s mission of renewal and restoration in our East Atlanta community and beyond.

The Lord has called our founding pastor into a new season of ministry, and our church is prayerfully seeking a new senior pastor to help revitalize our community as we seek to live out our mission through our core values of gospel flourishing, gospel community, and gospel mission.

To apply for this position, email your resume and a copy of your [Ministerial Data Form](#) (if applicable) to hire@villagechurchofeastatlanta.org.
