

Ezra Worship Initiative is a 10 week, paid summer internship for musically gifted college students who have potential in full-time or bi-vocational worship leadership for the broader church community. The students will be taught and mentored in the area of musicianship, leadership, sound/technology and worship theology. At completion they will have earned a worship certificate from Birmingham Theological Seminary. For more information and application go to our web site at ezraworship.com . Also check out our instagram @ezraworship.
