Meet Lake Oconee Presbyterian Church:

Lake Oconee Presbyterian Church (LOPC) is a 200-member church located in the beautiful lake country of Central Georgia. We are nestled about an hour between Atlanta, Athens (home of the back-to-back national champion University of Georgia), Macon, and Augusta (home of a rather famous golf course). LOPC is a gospel-centered, grace-driven, PCA church that strives to cultivate among its members and friends love for God, love for one another, and love for the community we serve.

Over the years, the Lake Oconee area has seen a surge in population as more people have discovered the natural beauty, relaxed lifestyle, and the location's convenience. With so much change, LOPC has remained committed to teaching the Scriptures, proclaiming the Gospel, and loving our neighbors.

About the Worship Pastor:

As part of our desire to love and serve our community we are looking to add a full time Director of Contemporary Worship to lead us in vibrant, heartfelt, Gospel-centered worship. This is an exciting opportunity for someone with a pioneering spirit to lead us in launching this second service. The Worship Pastor's Responsibilities Include:

- Develop, shepherd, and manage all aspects of a weekly contemporary worship service at LOPC, working with the Senior Pastor, pastoral staff team, and leadership of the church. This will involve identifying, recruiting, developing, leading, and shepherding a team to create excellent weekly worship services.
- Facilitate the leading of contemporary worship, utilizing newer hymns (retuned hymns) and songs that are Christ-centered and proclaim the Good News of Jesus Christ in a way that is understandable to unbeliever and believer alike.
- Develop and lead a worship team that cultivates spiritual growth and fosters excellence in God-exalting worship. This will involve advancing the missional vision of LOPC through liturgy and music, our worship services, our ministries, as well as special gatherings and events.

technical staff.

What it's Like to Live in Lake Oconee, GA:

The Lake Oconee area offers an escape from the noise and congestion of Atlanta while still offering the amenities of Augusta, Athens and Madison within an hour away. In the quaint towns of Greensboro and Eatonton, Southern charm lives alongside artistry and culture. As the demographic of our area has grown younger, we have seen an influx of new eateries, new retail and plans for new development taking shape, all against the backdrop of breath-taking Lake Oconee. Our Georgia climate offers an extended season of “lake life” with all its activities, while still dazzling us with a full palate of autumn colors and crisp, cold days to welcome Christmas.
