

Job Description for Church Planters in Germany

Ministry to the Military & Internationals (MM&I), a ministry of Southeast Alabama Presbytery, (PCA) has several strategic locations in Germany where a church plant is needed. MM&I would like to continue our effort in bringing reformation back to the Land of the Reformation by planting Reformed and Presbyterian Churches that will serve U.S. military forces and their families, German nationals, and internationals from across the globe.

MM&I is seeking candidates who are fully committed to hold tenaciously to the inerrant and infallible Word of God, the biblical administration of the Sacraments, and one whose prayers are deeply rooted in the Scriptures. We are also a Confessional Church holding to the Westminster Standards as a testimony of our faith.

Living in a foreign country is both challenging and exhilarating. Our U.S. military members and families adjust pretty quickly. English is widely spoken. It is an opportunity to learn a new language. It is rich in Church History with the likes of Luther and the Ninety-five Theses, Melancthon, Frederick III the Elector, Ursinus and the Heidelberg Catechism, Bach and much more.

Our service members are some of the best and brightest America has to offer. They serve with distinction and some will die in defense of our nation and other nations. Many internationals are already attending our current church plants. Their lives are being changed and more needs to be done. What God has given to the Church is a life saving message. It is the Gospel of Christ. If you sense that God may be calling you to carry this message to Europe please let me know.
