

TOP NEED

Plant and Help Revitalize Churches in Scotland

Scotland, Longer, Europe - Western

OPPORTUNITY DETAILS

Scotland is a breathtaking country with a rich Reformed history, and sadly, a largely unchurched population. MTW is partnering with "Generation," the mission arm of The Free Church of Scotland and we are looking for people to join our team to help in either church planting or church revitalization ministries.

Generation: Church Planting is committed to planting 30 churches by 2030. There are

multiple opportunities to serve in planting teams in Edinburgh, Glasgow, Inverness, and other Scottish locations. Along with associate ministers, we would place a high value on music directors, youth and children's ministry workers, and gifted cross-cultural evangelists.

Generation: Development serves the revitalization program of the denomination. There are opportunities to work in revitalization settings with opportunities across the whole range of ministry. Again, revitalization projects are located across Scotland in both urban and rural locations.

If you'd like to be part of a Spirit-led initiative that could have an enormous impact, this is your chance.
