New Team Forming in Nicaragua: All Gifts Needed

Nicaragua, 1–11 Months, Longer, Americas - Central

OPPORTUNITY DETAILS

Nicaragua, the poorest country in Central America, is still reeling from civil wars during the 70s and 80s. There is ongoing political turmoil and a severely damaged economy. For many people, there is little hope for the future. MTW would like to raise up a church planting team that has the courage to minister in the midst of this poverty and despair and respond with Christ-like compassion, introducing Nicaraguans to Jesus, who can transform their hearts and

minds and give them real and lasting hope.

We are looking to build a team of compassionate, relationally-gifted, and collaborative people who have a wide range of skills and abilities. We are looking for ordained pastors willing to work with local church planters. In addition, we are also looking for support minded team members willing to minister vocationally or in mercy ministries alongside of and in support of the local church planting effort.

If God is calling you to this type of work, then let's talk.
