

Church Planting and Community Outreach

Belgium, Brussels, Longer, Europe - Western

OPPORTUNITY DETAILS

Brussels is the capital city of the small, yet fascinating, country of Belgium. Several international institutions such as the European Union and NATO are headquartered here, and people from all over the globe call Brussels their home. English is widely spoken, but learning French is important to effectively serve the local and international communities.

Our team is based in this urban and multicultural context, and we are seeking new missionaries to join us in planting Reformed churches that reach the nations that have come to Brussels.

Do you love the church? Are you eager to use your unique gifts as a way to spread the gospel? Are you willing to learn a new language and engage different cultures? We would love to talk to you!
