

Redeemer PCA seeks a self-starter lead pastor/church re-planter for a core group meeting on the Kenai Peninsula in Alaska. 25 people meet at the Seventh Day Adventist Church halfway between Kenai and Soldotna. We have families with children ranging from infants to teens/new adults, single adults, married couples, and retirees. We have people recently relocated to Alaska or the Peninsula, as well as lifetime residents. We've worked with Flourish coaching.
