

Oxford Pres exists to grow God's Kingdom in the heart of Oxford. We desire to be a blessing to our city and its students, partnering with other evangelical churches and organisations to reach Oxford city centre for Christ. It is an exciting moment in the life of the church with God's generous provision of the historic and central North Gate Hall as a home for our growing church family.

New opportunities and responsibilities associated with the building and expanding partnerships with individuals, churches, and other organisations overseas has clarified our need for a Director of Operations and Partnerships, working closely with the elders to steward our buildings and relationships, as well as oversee day-to-day operations. With a broad remit, and complex projects to manage, we are looking for a self-starter who can creatively maximise the potential of all that God has given us for the sake of the Gospel. For a mission-minded leader with a diverse skillset who will thrive in a church which encourages faithful risk-taking, this role is a unique opportunity.
