# Engage Muslims Through a Discovery Bible Study

Central Asia Muslim Team , Europe Muslim Team, Global Muslim Ministry Team, North Africa-Middle East Muslim Team,  
1-11 Months, Longer, Global

## OPPORTUNITY DETAILS

The Muslim world is opening up like never before and Muslims are wanting to study the Bible. But there is more interest than there are Christians to study it with them.

Are you willing to be equipped to help these seekers? Learn how to look at the Bible together with them and lead them to discover who God is, what He is doing, and how they can follow and worship Him in all of life. There are opportunities to do this in

locations all over the Muslim world.

No formal education is required other than gaining local language proficiency. We will teach you how to read the Bible with non-Christians in a discovery kind of way.
