

## **Middle School Assistant Director**

Covenant is currently accepting applications for Middle School Assistant Director to work with our current youth staff. The primary purpose of this position is to disciple students to know Christ, grow in their relationship with him, and serve him in his church and the world. The Assistant Director will work with the youth staff and ministry team to lead a comprehensive middle school youth ministry (grades 6-8), implement its philosophy of ministry, build out and lead its ministries, and oversee the development of volunteers. Additionally, this position will focus on creating an environment where students want to come, connect, play, learn, and build relationships to better understand and experience God's love for them. This role will also assist and empower parents/guardians in raising their teenagers to a spiritual awareness and maturity. If you, or someone you know, are interested in this position, please send a letter of interest and current resume to Patrick Curles, Executive Pastor, at [patrickc@covenantpres.com](mailto:patrickc@covenantpres.com).
