**Overview:**

Stillwaters PCA is seeking a solo pastor to continue shepherding our congregation. Stillwaters' next pastor should be a man who preaches the word through a mix of exegetical and topical sermons. This man should have a well-grounded prayer and devotional life and as a leader of the church, this man should set the example for the other leaders within the church. Open and clear communication with people of diverse ages and backgrounds is of high importance as well. The candidate's beliefs must also be consistent with the Westminster Confession of Faith, and the Shorter and Larger Catechisms.

**Stillwaters' DNA: Who We Are**

**Community:**

Stillwaters PCA is a community of believers committed to knowing and growing our relationship with Jesus Christ, with each other, and with new friends that the Lord will bring to us. We are a small (75-100 congregants) church, tucked away in the Chester County countryside on twelve acres of farmland. We gather on Sunday mornings for a joyful celebration of worshiping our Lord together with hymns, praise songs, prayer, and hearing biblical teaching from the absolute truth of God's Word. We are a transparent congregation, not afraid to share our brokenness and our deepest prayer concerns with our brothers and sisters in Christ, knowing our needs will indeed be prayed for. We are committed to evangelism within our church family and local community. We support various local missionaries and ministries both financially and experientially. We love serving together intergenerationally, as families and singles, as we model a servant's heart to our children. We have accomplished this through our annual Live Nativity production, packing shoeboxes for Operation Christmas Child, filling baby bottle banks for Chester County Connect Care, partnering with Urban Promise, and collecting supplies for local food banks. Our deacons work closely with the mercy ministry, assessing needs and finding ways to be the hands of Christ to our hurting friends, to offer the grace we have received.

**Relationship:**

One of the traits that makes Stillwaters unique is the feeling of "family" when you walk through our doors. We are committed to developing strong and genuine connections within our church body. Fellowshiping and learning together are important parts of who we are. Our men's ministry plays a vital role in our church. The goal of this ministry is to develop men into leaders and mentors, first to their families and then to others. We believe getting men involved in the church will naturally result in their families getting involved. A women's Bible study and various small groups are also offered as we seek to grow spiritually, personally, and together. Additionally, our men's and women's ministries enjoy yearly get-away retreats.

**Discipleship:**

Our heart cry is for our children and youth to grow to love the Lord Jesus, to have a life fully committed to following Him and to be prepared to stand for Jesus in a harsh, unbelieving society. Our children face a constant onslaught of negative influence from culture and they need to have a firm foundation on which to build! Our children and youth ministries aim to invest heavily in the discipling of our children to give them a solid foundation in order to defend their faith. We strive to accomplish this through Children's Church, Christian Service Brigade, GEMS (Girls Everywhere Meeting the Savior), Kings Kids, our Youth Group, and VBS.

Along with the young disciples program, Stillwaters has developed men's and women's ministries with the goal of building men and women up. To accomplish this, we focus on one-on-one mentoring and our small group discipleship ministry which includes young families, empty nesters, women's groups, and other inter-generational groups.

**Our History**

2001: 'Cornerstone Presbyterian Church began work to be "a church that plants churches." Pastor Tony Stephens was hired as their church planter. Taking a small group of people with him, he would go on to plant Stillwaters Presbyterian church.' Quote from Cornerstone's history pamphlet.

2002-2011: Early meetings were in the Stephens' home, a bar, a funeral home, and co-sharing of worship time in a local church.

2011: Purchased 12+ acres of land which included a pond and a partially finished building that was meant to be a retreat space.

2009-Present: Stillwaters has mentored pastoral interns and church planters. Bryan Launer was a worship leader intern. Peter Doerfler served as Assistant Pastor from 2009-2012 and Associate Pastor from 2012-2017 and went on to plant Redemption Hill Church in the Pittsburgh area in 2017. Robbie Schmidtberger was mentored at Stillwaters and went on to plant Iron Works Church in West Chester, PA later in 2017.

The partially finished building in 2011 was turned into sanctuary space and now has a completed worship center downstairs, Sunday school rooms, a conference room, full gymnasium and pastor's office upstairs.
