

MERCY TO US - MERCY THROUGH US

MERCY

PRESBYTERIAN CHURCH

# WHO IS MERCY?

Mercy was planted in 2014 with the goal of growing a vibrant church that understands and extends God's grace to the world around us. Since 2024, we've purchased a building, doubled our officers, and grown to over 200 people in weekly attendance. Our tagline, "Mercy to Us, Mercy through Us", is the heartbeat of our gospel-centered approach to ministry. We are now looking for a second pastor to join as a fellow vine-worker to grow connectivity and care within the congregation.

When Mercy was planted, North Texas Presbytery gave us a target area in Dallas. Our building is situated in the middle of that target, strategically located off 635 between I-75 and the Tollway.
