

Good News Church is one church in two locations in beautiful St. Augustine, Florida—a historic coastal city known for its charm, warmth, and growing community.

At Good News, our purpose is clear: **To Make Disciples Together**. We believe Jesus is not only our Savior and Lord, but also our model for life and ministry. Because of that, we are committed to making disciples Jesus-style—relationally, intentionally, and together.

This vision shapes everything we do, from adults to students to kids. We want to see people come to know Jesus, grow in Jesus, and help others follow Jesus.

As we look to the future, we are seeking a **Campus Pastor for our World Golf Campus**. This is an important step in completing our Senior Pastor Succession Plan and strengthening the disciple-making mission of Good News Church for the years ahead.

The Campus Pastor will help shepherd, lead, and equip the World Golf Campus while joining our elders, pastors, staff, and church family in multiplying a disciple-making movement in St. Augustine and beyond.

This is more than a position—it is an opportunity to join a church family with a clear mission, strong unity, and a deep desire to see lives changed by Jesus.

If you are a disciple of Jesus who loves the local church, has a heart for shepherding people, and desires to be part of a disciple-making movement, we invite you to prayerfully consider Good News Church.

Please review the job description and position qualifications. To apply, send your résumé to **Don Guernon at don@goodnewsloves.com**.
